

Natural and comfortable throughout the Year

By Elotroi OY

I started to show an interest in natural materials and ethnic design in textiles in my childhood. When I was young, I knew that I wanted to create products using natural materials, combining ethnic symbols with modern design.

My dreams were fulfilled in 1994 when I started my own business with other dedicated crafters. Our business was and is driven by the love of handcraft. We have been in business for 24 years with our products sold worldwide under the “Elotroi” brand. Our biggest markets are in Scandinavia and Europe.
